Is it because he can't accept Hyeonseo's death?

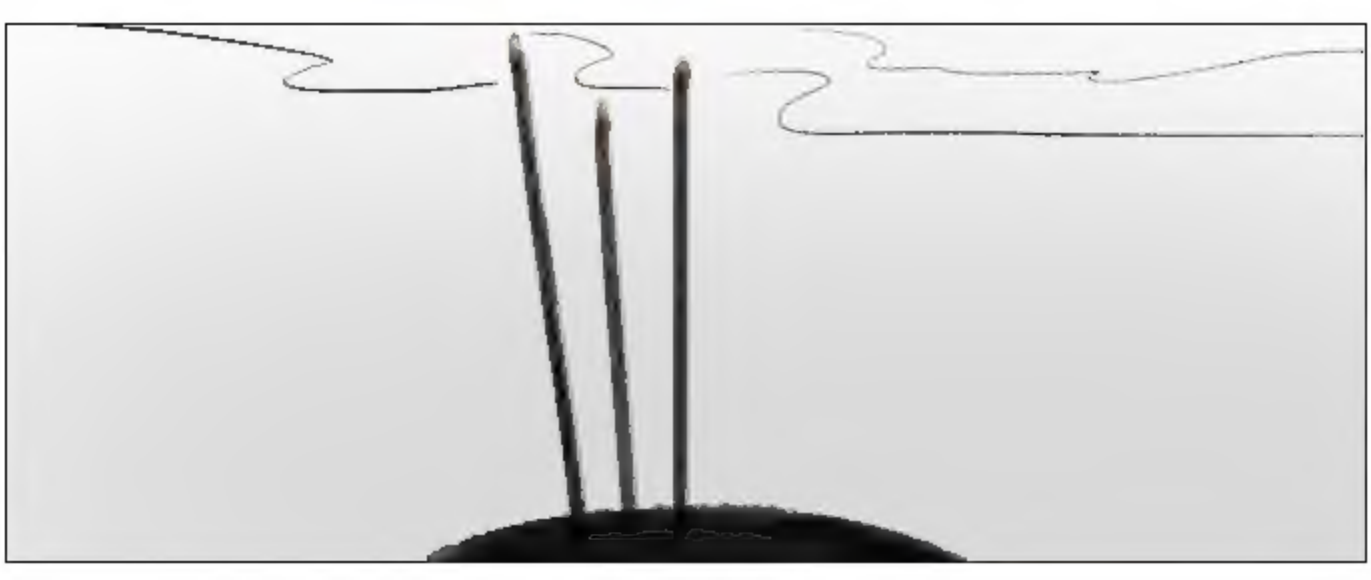
The late Bae Yoonkyung
Chief mourner (mother) Kim Seongho

I dragged Jaehyun over at the starting point.

That sunbae...
that's him, right..?

Don't you remember?
He was famous because someone he dated passed away after they broke up.

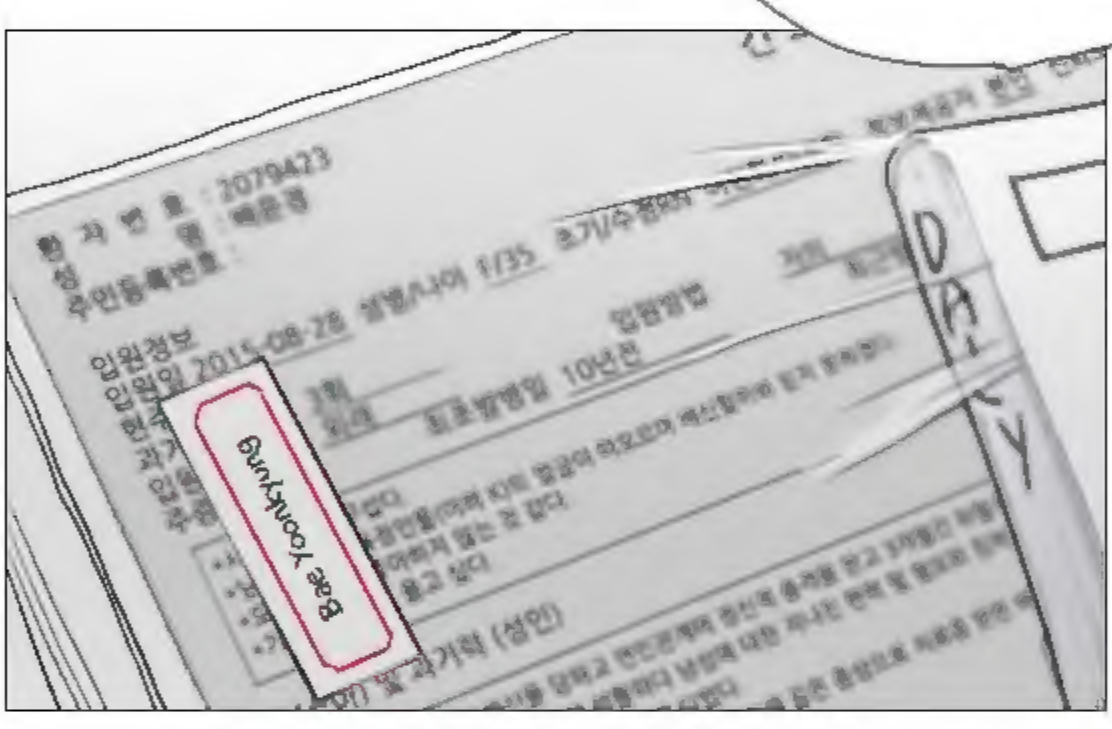
That's right..
I heard he didn't show up at the funeral..? What is he doing here..?



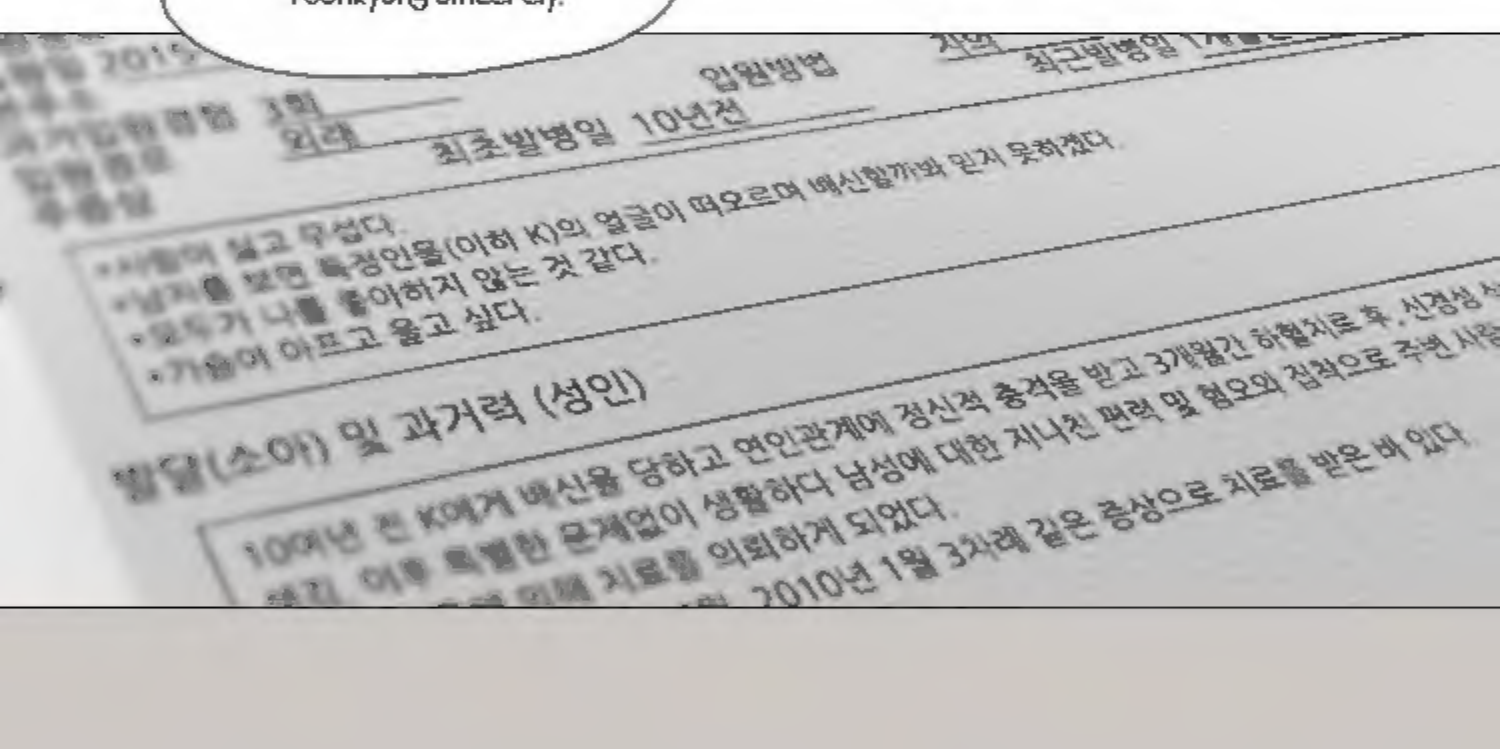
Thanks for coming..
I heard that my sister caused you trouble. I apologise.

My sister waited a long time.
It'd be good if you came when she was alive...

It was so hard for her...

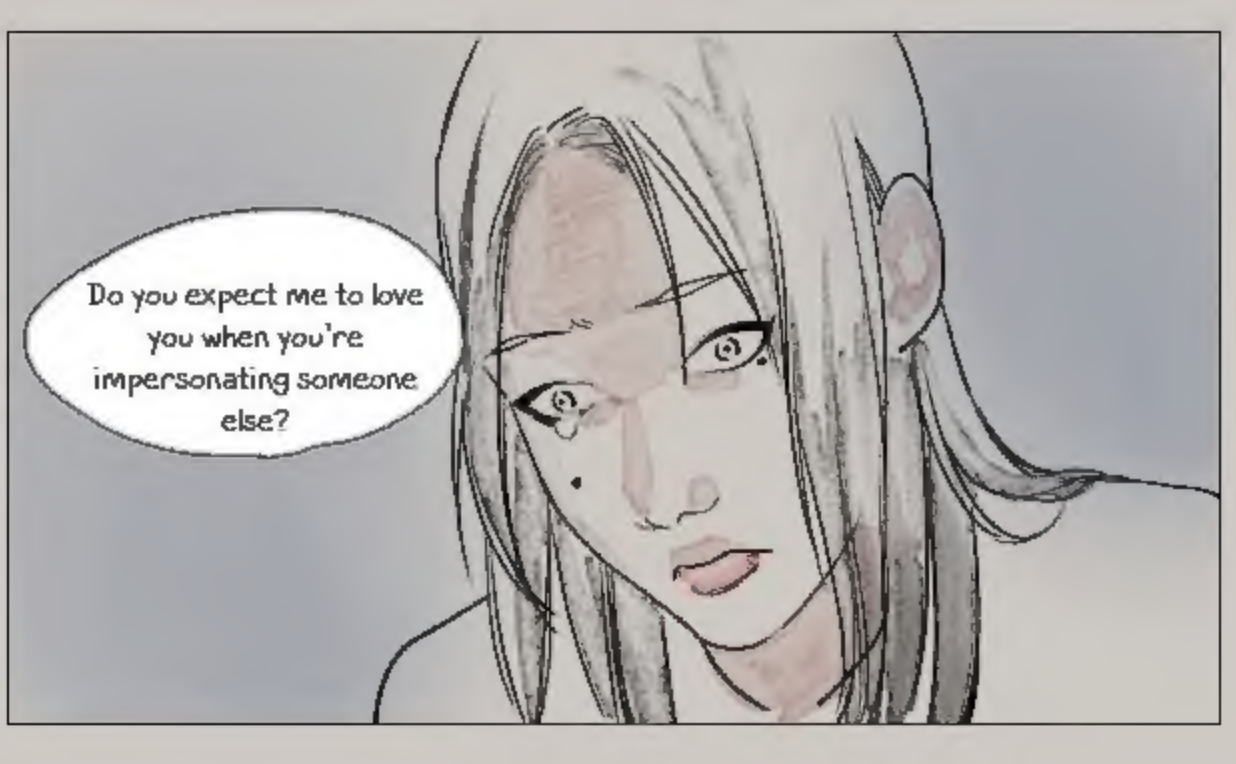


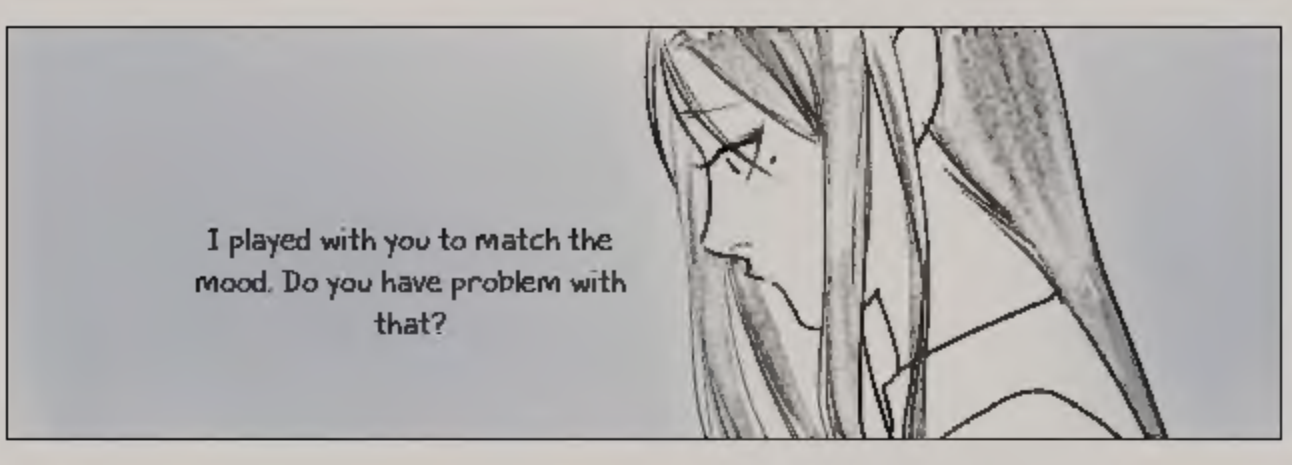
If only he dated Yoonkyung sincerely.

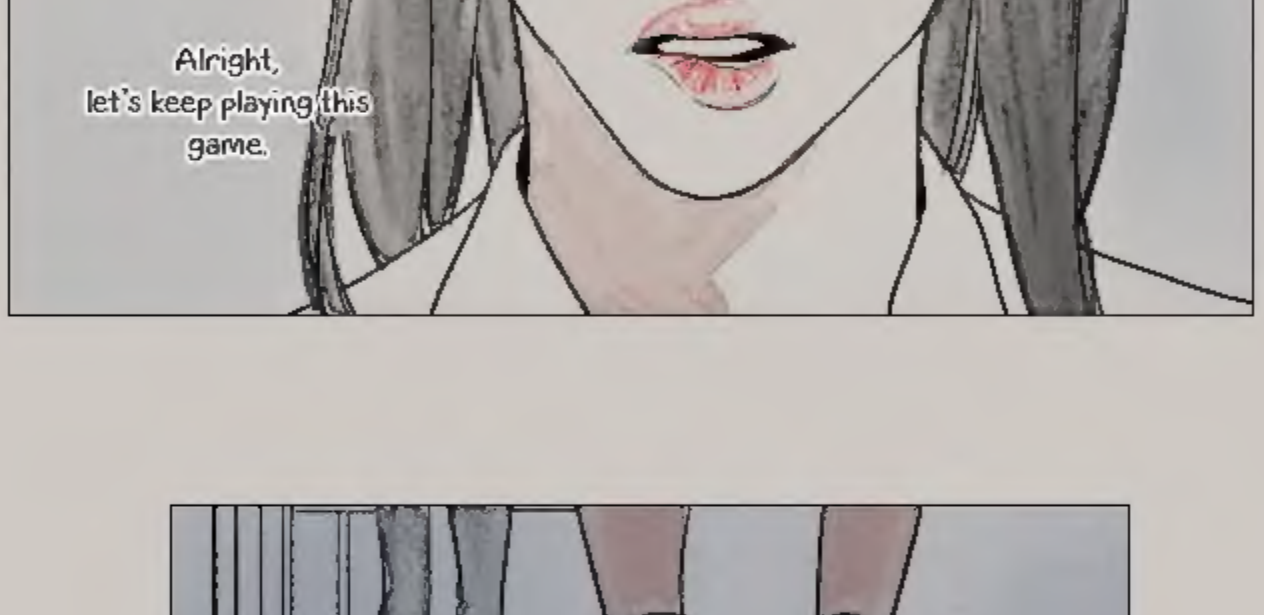


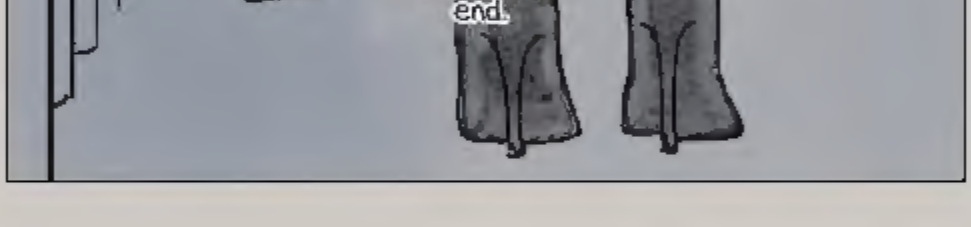
The fragments of the past are constantly drifting away.

You think I didn't realise you were impersonating him?



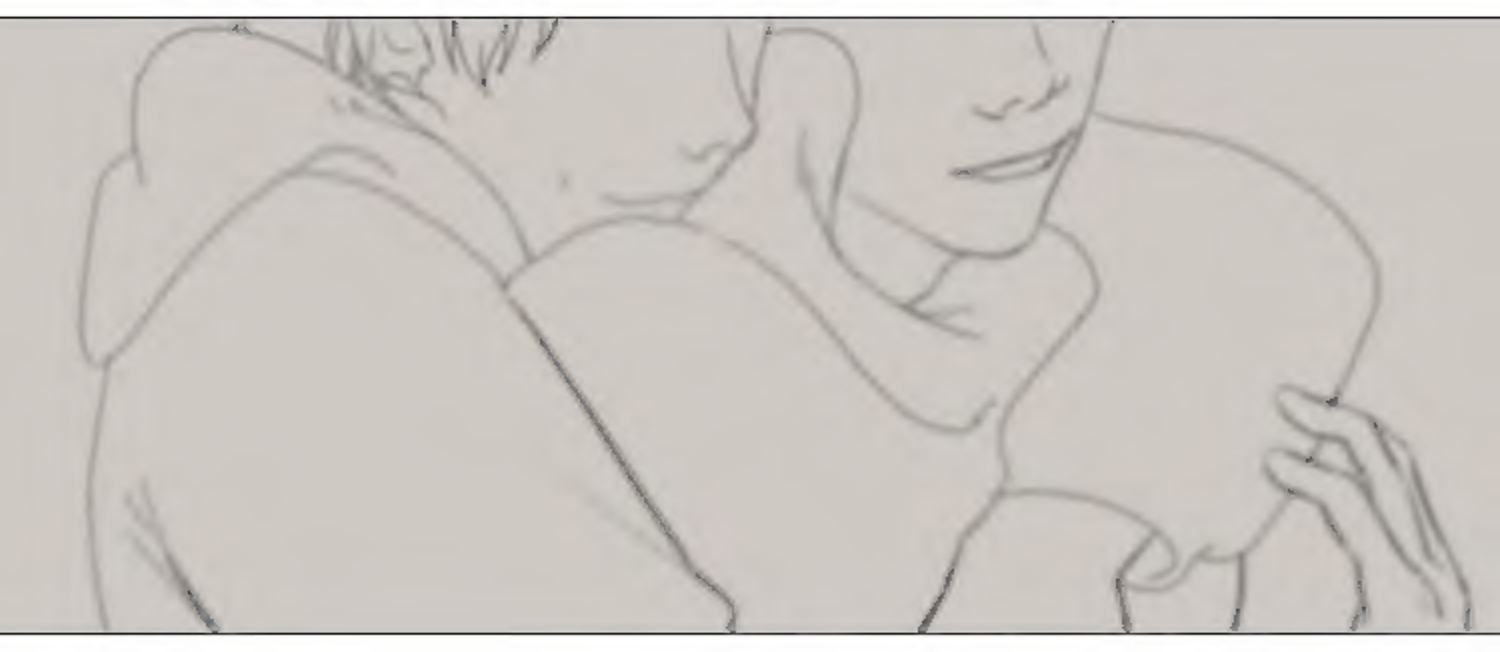






The complex emotions tangled over.

Her picture seemed to be looking at my face.



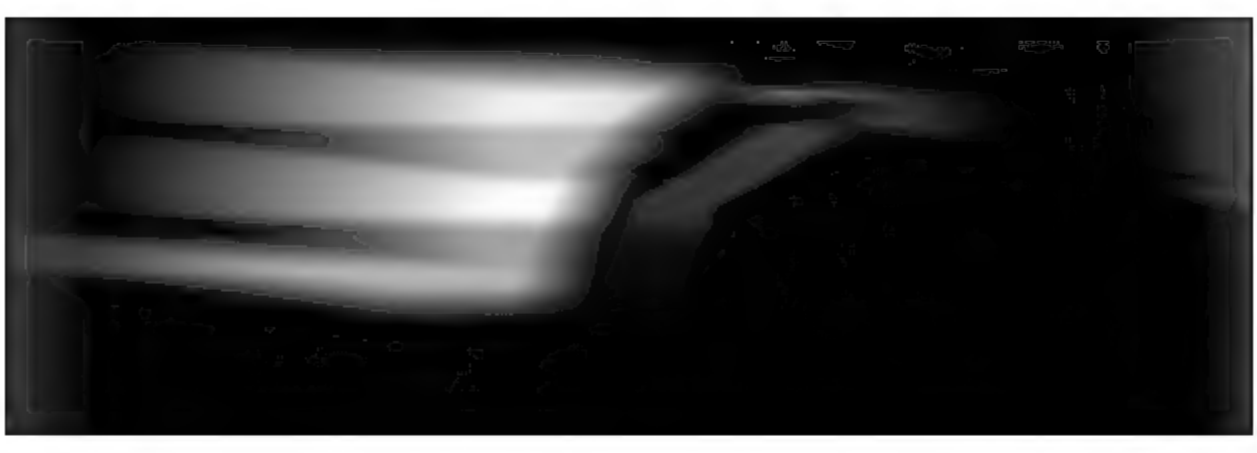
Because I remained in that day just like her,

I'll lose everything that I've lost again.

It looks like he's thinking a lot...
Is he finally back to reality?

Do you want to end up like Bae Yoonkyung?

Leave me alone...



You're not the only one having a hard time. I don't know who you're calling Hyeonseo,

But nothing can replace him.

If you can't realise that, go here.

Despite being late, thank you so much for still remembering even after 10 years. I'll treat you to tea someday.

Hyeonseo is here

Understand the truth.

What is he
if he's not Hyeonseo?
